During photography, time & date should be ON in the camera so that date & time should be clearly print automatically & visible on the photograph
General Query Raised by bidder in Pre - Bid.			CMSS Clarification
3	a) Loading & Unloading, if union charges are involved, that shall be charged extra over and above the proposed charges which includes loading & Unloading Charges.		Bidders are advised to analyze each and every aspect before quoting the bids.
4	b) Warehouse contact details where we can get the details of labor union involved at loading or unloading point.		The details of all warehouses along with the contact details of in-charges

		are already available on the CMSS website.
5	c) What is the procedure for union people who have already charged us and service providers already paid them? How do we get the reimbursement?	Doesn't pertain to any criteria of the existing bid document.
6	d) Operation timing. Beyond the cut off services availed, the additional cost shall be levied.	The working at warehouses will be in working hours only. The bidders are advised to plan transportation accordingly. Also, required support will be provided as and when required by concerned WH personnel.
7	e) Though, the bidding does give clear advantage but the enquiry only comes to us after others rejection. Under such circumstance, the guaranteed rate without the sufficient volume of business may turn in to a loss making proposition. Hence, minimum guaranteed business could be part of the agreement.	As the tender is for transportation services for case to case basis, minimum guaranteed business cannot be provided.
8	f) Having paid the earnest money/deposit, we tend to forfeit the same if we reject the enquiry on loss making proposition.	As per bid document terms & conditions.
9	g) Color photograph of vehicle during full loading of materials could not be possible so allow us to submit black n white picture only.	Please refer clarification Sr. No. 2 above.

This Amendment no 1 is an integral part of the bid document. All other terms & conditions of the tender document shall remain same.

The bidders are requested to sign the above amendment and enclose the same along with the offer.
